Per una corretta comprensione del listino:

La pallinatura gialla  indica una parte di ricambio disponibile per la vendita presso un riparatore autorizzato esterno.
La riparazione presso riparatore autorizzato esterno è possibile quando:

- la parte è facilmente sostituibile, in condizioni di sicurezza, seguendo le procedure di riparazione fornite da WECO s.r.l.

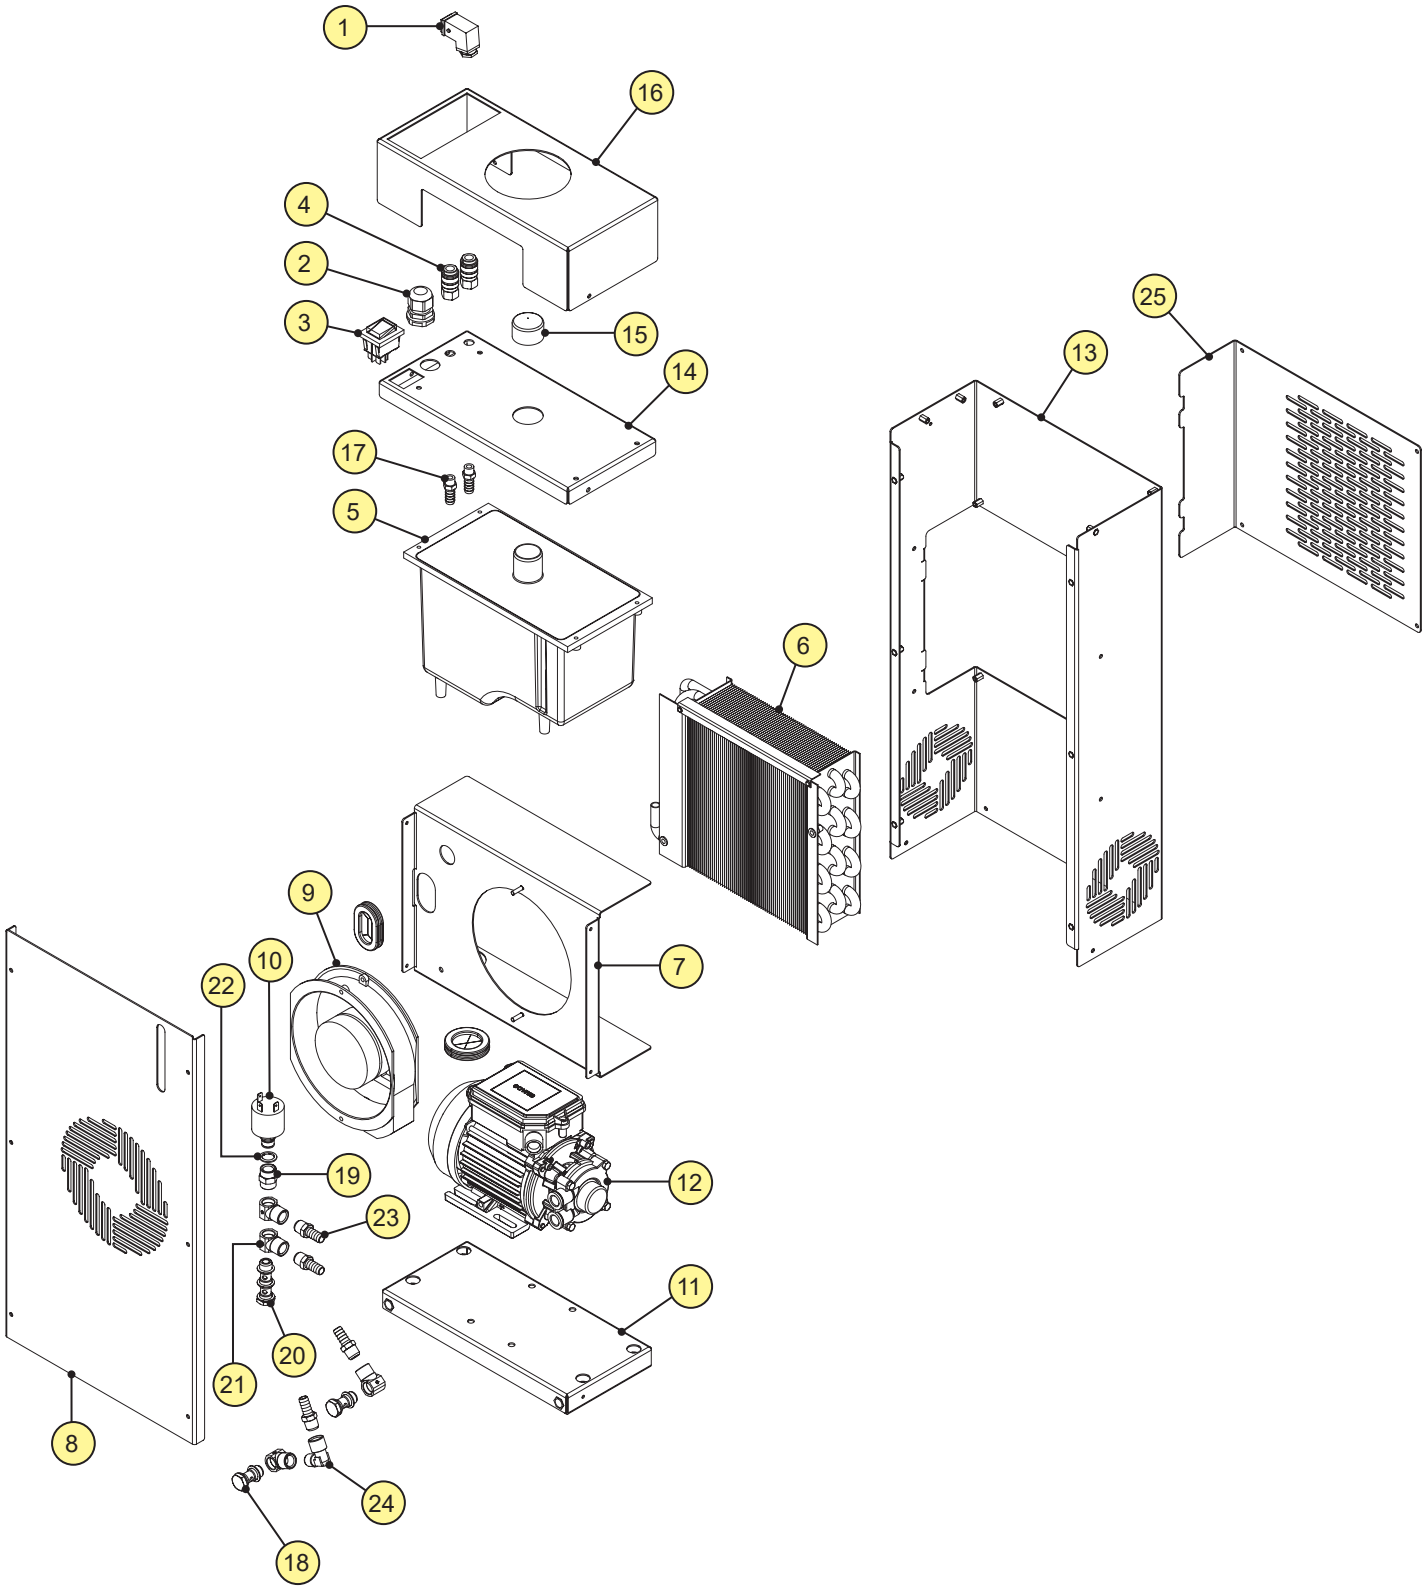

La pallinatura grigia  indica una parte di ricambio disponibile con riparazione presso la sede WECO s.r.l. .
La riparazione presso sede WECO s.r.l. è richiesta quando:

- la sostituzione della parte richiede attrezzature e competenze tecniche altamente specializzate;
- la sostituzione della parte richiede una procedura estremamente precisa e accurata;
- la sostituzione della parte e il suo collaudo richiedono di operare con macchina aperta e accesa per le quali è richiesta la conoscenza delle procedure di lavoro in sicurezza;
- l'apparecchiatura dopo la riparazione richiede il collaudo secondo le norme vigenti.
